What is the Cosby Neighbourhood Plan?

Neighbourhood plans give local people the chance to plan for their own area by developing policies that will guide and shape development for the future.

Preparation of the Cosby Neighbourhood Plan was led by an Advisory Committee, with support from Cosby Parish Council, local residents and Blaby District Council.

If the Plan is successful at Referendum, it will then be adopted by Blaby District Council. Therefore, when planning applications are submitted for sites within Cosby, Planning Officers will assess the proposals against the District Council's Local Plan and also the policies within the Cosby Neighbourhood Plan, before arriving at a decision.

Determination of planning applications remain the responsibility of Blaby District Council
